

THE CLASSICAL CHRISTIAN ACADEMY @ BETHEL

Legacy Scholarship

Tuition Assistance Program

SCHOOL YEAR 2022/2023

The Legacy Scholarship Fund was initially seeded by a group of Local Business Professionals that refuse to give up hope in the values that founded and built our great nation based on the belief that God, Our Father, is the ultimate Creator. Legacy Scholarship funds are intended to provide opportunities to ALL families in our community that desire to see their children educated with core Western values, Christian beliefs, and moral virtues that grow their children into well rounded members of our community. We strive to ensure each student will understand and absorb, not only the finest curriculum-based learning, but develop critical thinking skills resulting in problem solvers, all while having compassion for others. It is the goal of every Legacy Scholarship Contributor to reform our communities one student at a time and we believe every God-honoring family should have the opportunity to take advantage of the Classical Christian Education model while allowing our contributors the fulfillment of knowing they are equipping you to leave a Legacy that cannot be taken from you or your child.
